

ASSISTANT CLERK, COMMITTEE ON ENROLLED BILLS.

FEBRUARY 18, 1910.—Ordered to be printed.

Mr. HUGHES, of West Virginia, from the Committee on Accounts,
submitted the following

REPORT.

[To accompany H. Res. No. 400.]

The Committee on accounts, to whom was referred House resolution No. 328, have had the same under consideration and recommend in lieu thereof the adoption of the following resolution, to wit:

Resolved, That there shall be paid out of the contingent fund of the House compensation at the rate of six dollars per day for the service of an assistant clerk to the Committee on Enrolled Bills during the present session, payment to commence from the time such clerk entered upon the discharge of his duties, which shall be ascertained and evidenced by the certificate of the chairman of said committee.

It is customary to authorize additional clerical assistance to the Committee on Enrolled Bills from time to time during a session, and it is represented to your committee that the work of Congress at this time makes necessary the employment of an additional clerk. Your committee therefore report a resolution providing for his employment, and that payment shall commence from the time he entered upon the discharge of his duties, which shall be ascertained and evidenced by the certificate of the chairman of the Committee on Enrolled Bills. It is understood that he has been employed since January 10 last.
